The Amish Craftsmen Guild II's goal is to assist you in creating and designing your OUTDOOR furniture dreamscape. We work with Old Order Amish Crafters who are precise and professional. With that being said, with special projects there are limitations in structure as well as warranty. Crafters will advise on supports, design and functionality of your special custom projects. There is a \$150.00 non-refundable deposit that will go towards the planning of design and cost not to exceed more than 2 hours of design consultation time nor crafter time. The minimum cost for a special project is \$500. If you choose to go ahead with the project, once you have decided on what furniture you want to purchase you will be required to come into the store to make your final order. Your \$150 non-refundable deposit will then be put towards your purchase. We are happy to set up a specific date and time when you come in the store so you have our undivided attention and we can get your order in promptly.

I have read and understood the above and have submitted my \$150 non-refundable special project furniture deposit. I have also included dimension, pictures and
